

REMARKS

Claims 1 to 33 are present in the application, of which claims 2-4, 7-10, 12, 14-26, and 28-32 are currently amended.

Most of the amendments are to cancel multiple dependencies to comply with U.S. practice and save additional fees.

Additionally, claims 2, 17, and 23-25 were cosmetically amended to improve language consistency along the claims.

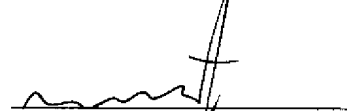

The present amendments do not limit the scope of the claims.

The present amendments are based on the claims searched by the International Searching Authority. Applicants note that all the searched claims are indicated in the Written Opinion as meeting the criteria of PCT Articles 33(2) - 33(4).

In view of the favorable Written Opinion, applicants submit that the application is in order for allowance. A notice thereof is respectfully awaited.

Examination on the merits is respectfully requested.

Respectfully submitted,
Ido MILSTEIN
